**Re: Time Warner Cable Information Services (South Carolina), LLC
Docket Nos. 2008-325-C through 329-C**

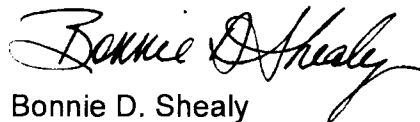

Dear Randall:

We respectfully request that the Commission consider issuing an amended order to correct a reference on page 3 of Order No. 2009-356. TWCIS requested the same waivers as granted in its earlier certification dockets including any record-keeping rules or regulations that might require a carrier to maintain its financial records in conformance with the Uniform System of Accounts. Order No. 2009-356 references the "NARUC" Uniform System of Accounts. Our waiver request was referencing the Federal Communications Commission's "Uniform System of Accounts" found at 47 CFR § 32.1 *et seq.* instead of "NARUC." We request that the order be amended to delete the reference to "NARUC." The Office of Regulatory Staff and counsel for the rural telephone companies are in agreement with our request.

Since we viewed this as a technical correction of an undisputed issue, we have not filed a formal petition for reconsideration. Please let me know if you would prefer that we electronically file a formal petition or treat this letter request as one. Thank you for your assistance with this.

Very truly yours,

ROBINSON, MCFADDEN & MOORE, P.C.
